

We are going to the Monterey Bay Aquarium on Saturday, April 27th.
Remember, students receive one free ticket per school year, so if you
have not used it yet now is the time.

Bring student friends and/or meet new people.

You should be in line at the aquarium by 1:00 pm, so please plan accordingly.

If you'd like to wear CSUMB gear to represent the school, please do.

We will meet on the back deck (straight through the lobby to the area
overlooking the bay); remain in the main lobby if it is raining.

*Option: Idonas Hughes (aquarium volunteer & Tau Sigma Advisor) will give a tour
at 1:15 pm.*

How to get your ticket

You need to use your Otter ID to get a FREE aquarium ticket.
One ticket is available to each student and can be picked up in OSU 306.
