

# CalFresh Made Easy: Application Support for Transfer Students

PROMONTORY CYBER CAFE  
4-6 PM THURSDAY  
FEBRUARY 26

Meet Otter Care and get started on your CalFresh application! CSUMB undergraduates and most graduate students are exempt from the 20-hour work requirement. Ask The Hub staff for an LPIE letter. Students with an Otter 5, 7, 225, or Monterey Bay 140 meal plan are not eligible for CalFresh, but are still eligible for other food security options.
